

Sean Hewitt

Web Developer

Address Baton Rouge, LA 70817

Phone (985) 705-8062

E-mail sean.hewitt10@gmail.com

Dedicated professional with 16 years of a proven track record in animal care and management, seeking to leverage my strong technical skills and attention to detail in a new role. With a passion for problem-solving and a desire to learn new technologies, I am eager to contribute my skills in a fast paced web development role.

Skills

Javascript, HTML, and CSS: Experience working with these programming languages building web pages and personal projects to showcase my skills.

Project Management: Proven ability to manage multiple tasks, projects, and budgets efficiently while ensuring high standards of excellence.

Guest & Public Relations: Skilled in enhancing guest experiences through public presentations and interactions, maintaining a high standard of service.

Staff Training & Supervision: 10 years of experience supervising and training staff and progressively responsible applications in zoological operations.

Work History

2024-02 - Current

Self Study

Learning and Growth Focused, Baton Rouge

- Completed coursework on freecodecamp.org and earned certificates in HTML, CSS, and Javascript.
- Launched a personal portfolio website for potential employers to showcase my resume, projects, experiments, and social media networking links.
- Developed a web based game utilizing a wide variety of concepts and skills in HTML, CSS, and Javascript.
- Developed a web app that tracks daily stock prices of a few large companies using an API.
- Currently expanding my education and completing coursework involving Wordpress, Python, and React.

2014-01 - Current
